General Information 2011

Caledonian Court is the University residence for students during term time. Its city centre location in the heart of Glasgow makes it an extremely popular base for summer visitors, from June to September. Many famous attractions and destinations are within easy reach, and only a short walk from train stations at Central and Queen Street, with Buchanan Bus Station on the doorstep. Glasgow International Airport is approximately twenty minutes away by car, taxi or airport bus service.

Since its launch in 1993, Glasgow Caledonian University has become one of the most popular Scottish universities with a reputation as an innovative provider of quality vocational and professional higher education. The modern accommodation at Caledonian Court meets the needs of students and visitors alike.

Conference Facilities

The University has a range of lecture theatres and seminar rooms, many of which have been recently refurbished and fully equipped with audio-visual facilities. There is also an exhibition area with an upper gallery, ideal for displays and commercial exhibits. Hospitality arrangements can be tailored to suit the needs of individual groups. The Conference and Events Unit can prepare a seamless package, providing a professional service.

Accommodation

Caledonian Court is a modern purpose built complex of 100 flats, in a high amenity area in the city centre. Each flat is self-contained with 6 or 8 single rooms with bedding and towels and a fully equipped kitchen. There is 24 hour access at Reception in the Accommodation Office during office hours or at the Security Office when reception is closed, for collection of keys and information on arrival. There is a coin-operated launderette in the centre of the complex, for residents' use. Parking is limited to 40 vehicles.

Catering

This accommodation is self catering. If you are renting a room you are invited to use the kitchen facilities in the flat, but we request that you keep this area clean and tidy for other residents who may be sharing the flat with you.

Meals are available in the Hamish Wood Refectory during normal opening hours or by arrangement in advance for group bookings. City centre shopping is excellent for those who wish to prepare their own meals, and there is a great choice of restaurants and entertainment facilities within five minutes walk of Caledonian Court.

Extras

We are happy to discuss individual requirements with tour operators and conference organisers to tailor a suitable package for groups.

Location

See www.streetmap.co.uk and click on post code G4 0JF and www.caledonian.ac.uk for other useful information and directions.

Please contact the Accommodation Office for further details and see map reference for location.
